PAGE

Organic phosphorus in some Alberta soils, Status of 27
Organic phosphorus in soils by extraction methods, Determination of total..... 35
Organic matter in degrading Chernozemic surface soils, Characteristics of..... 275
Organic soils *in situ* for physical property tests and mounting of profiles, The collection of..... 401
Organic soil sampler, A new..... 402

Phosphates with ferric organic complexes, Interaction of..... 393
Physical properties of a clay soil at Guyenne, Quebec, Influence of different depths of plowing on the..... 178
Polysaccharide content of soils, Measurement of the..... 141
Polysaccharides to soil aggregation, The relationship of..... 201
Potassium-bore dans la culture de la luzerne, La relation..... 59
Potassium in different size fractions of some Canadian soils as related to their mineralogy, Release and fixation of..... 123
Potassium and chlorine on the production of tobacco seedlings, Effects of..... 268
Potato, The relation of soil test values to fertilizer response by the. II. Nitrate production and nitrogenous fertilizer requirements..... 242

Rideau clay, The effect of water erosion on physical and chemical properties of.... 370
Rubidium as influenced by soil moisture tension, Self-diffusion of..... 44

Salt accumulation in a glacial till soil in the presence of saline groundwater at shallow depths..... 135
Salts in the soils of southeastern Saskatchewan, Recent accumulation of..... 52
Silica in aqueous extracts of some soils. I. The form and concentration of dissolved 70
Silica in soil solutions:
I. The form and concentration of dissolved silica in aqueous extracts of some soils 70
II. The adsorption of monosilicic acid by soil and by other substances..... 83
Sodium wastes from canneries, The use of soils for the disposal of..... 400
Soil organic phosphorus with particular reference to the effect of lime, mineralization of..... 97
Solonetzic soils in Alberta, Gypsum as an ameliorating agent for..... 1
Soluble salts on plant response to and absorption of phosphorus, Effect of..... 210
Sr90 content of crops, The effect of potassium fertilization on the..... 309
Studying subsoils in the greenhouse by means of a lysimeter, A method of..... 405

Thatcher wheat, The influence of soil moisture, nitrogen fertilization, and temperature on quality and amino acid composition of..... 219
Tobacco seedlings, Effects of potassium and chlorine on the production of..... 268

Water-soluble cations to field separations of Chernozemic and Solonetzic soils, The relationship of..... 359
